Excellent

This is Ganesh. My suggestion, please concentrate on Strings, Algorithms and multhreading concepts.

Proper explanation before application means more explanation

Nice

We want in telugu

Suggestions for improvement

4 responses

First explian every topic regarding c

Then go to programs. first complete' c 'then go to pythan
Parllel combination of both c and phythan gives may confuse

Please speaking in telugu while explain the concept

First explain every topic regarding c language. Then after go to programs.
Parllel combination of both c and phythan may gives confuse so we have complete first c then go to phythan
